

Shakerag COVID-19 Release

I understand and acknowledge that guidelines for avoiding COVID-19 issued by federal, state and local governments are often contradictory and confusing with not a lot definitively known about the spread of the novel coronavirus. I understand and acknowledge that the only way to completely avoid the novel coronavirus is to stay at home and avoid all possible contact or proximity to other people. I understand that participating in any activity necessarily involves risk of exposure to the novel coronavirus and I voluntarily assume that risk. Therefore, I knowingly release from liability and hold harmless Shakerag Hounds, Inc. as well as its officers, directors, staff, members, and volunteers from any loss, damage, liability, illness or injury however caused, resulting directly or indirectly from participation in a Shakerag event, whether or not such injury or loss results directly or indirectly from the negligent acts or omissions of any of the released parties.
