

Join Us! Experience the Tradition

The members of the Shakerag Hounds welcome anyone who has a love of sport, hounds and horses. Foxhunting is a family sport where individuals of all ages can enjoy the great outdoors and the camaraderie of a shared passion for the hunt.

Our hunt season starts in August and concludes in March, and during that time we hunt every Tuesday and Saturday with additional days around holidays and our annual Hunt Week. Spring and summer include hound exercises on foot and mounted, trail rides, hound shows and social events.

We have three “fields” of riders to accommodate varying levels of riding ability. If you do not own a horse, it is possible to lease an experienced hunt horse to be your partner for the day.

Guests are welcome to hunt with us anytime.
